DEVELOPMENT DEPARTMENT

G.O.Ms.No.5029 Dated 30-10-1947.
Read the following:-

From the Joint Director of Industries and Commerce No.3313C.1/47 dated 20-3-1947 and 9-9-1947.

O R D E R:

His Excellence the Governor of Madras permits the Director of Industries and Commerce to incur an annual expenditure up to a limit of one third of the sports fee collected from the students or of Rs.300/- (Rupees three hundred only) whichever is less, in respect of each of the Polytechincs and Industrial schools in this province, for promoting the athletic activities of the students of such institutions.

2. The Government do not see adequate justification for the grant of a lumpsum of Rs.600/- to each of the seven Polytechnics memtioned in his letter date 9-9-1947 to meet the initial expenditure towards levelling of playgrouds and purchase of materials for games as such expenditure may be met from the sports fee collected from he students. The proposal of the Director of Industries and Commerce in this regard cannot therefore be accepted.

3. The expenditure sanctioned in para 1 above should be met from the allotment in the budget estimates relating to the institutions concerned.

(BY ORDER OF HIS EXCELLENCE THE GOVERNOR)
